

Welcome

Welcome to Darling Point Special School. We are a family oriented state special school with dedicated, professional staff who work with students with disabilities and their families to achieve the best possible educational and life quality outcomes.

We are proud to be part of the Department of Education, Training and the Arts, within the Queensland government in Australia. Our achievements include winning the Education Queensland Secondary Schools State Showcase Award for Enterprise Initiatives in 2004, and a wide range of industry and university partnerships.

Shared values of integrity, affirmation, relationship, mutual respect, and leadership and accountability guide our school leadership and decision making.

I encourage you to search the school's website and to explore the materials posted here for your information.

If you are a parent or carer of a child or young person with a disability, or an educator interested in working with us, I welcome your contact through email: the.principal@darlpoinspecs.eq.edu.au.

Warm regards in service to children and youth with disabilities and their families.
