Raising Funds for Bayside Community Business

Darling Point Special School
raise funds for children in schools with special needs
www.darlpoinspecs.eq.edu.au

Manly Community Kindergarten
raise funds to re-build the kindergartens playground that was damaged after storms in November 2014. The Kindergarten has not been able to gain government funding.
www.manlykindy.org.au

Wynnum District Netball Association
raise funds to build two new hardcourt netball courts. There are over 200+ local girls playing netball in the Bayside Area without a hardcourt netball court. These funds will go towards building 2 new hardcourts at Elenora Park.

Make It Home Safely Inc.
raising funds to assist students in years 11 & 12 who have been identified as not being able to transition to work without a drivers licence. Families who are economically or socially disadvantaged are less likely to have the means to afford driving lessons, may not possess a motor vehicle. By not having a drivers licence these students risk unemployment. Wynnum State High School have committed to supporting up to 12 student at risk of unemployment with their first 30 hours through an official driving school. The youth support coordinator is currently engaging volunteers to support the driver Mentor Program to complete the additional 70 hours. By providing this opportunity young people gain a sense of hope and opportunity which can break the cycle of unemployment.
